~Herdsman of the Year ~

The MHA and the MJHA would like to Congratulate Jacob Wolfrey of Grimmel Girls Show Cattle on becoming the Herdsman of the Year!

Jacob Wolfrey of Jarrettsville, Md., owns and operates Grimmel Girls Show Cattle with his wife, Michelle, son, Andrew, and sister-in-law, Melissa Grimmel Schaake. His love for cattle started at a young age as he grew up raising and showing Angus. He went on to assist many large operations at nationals shows across North America before joining Grimmel Girls in 2010. Jacob is extremely gifted when it comes to cattle selection, management, fitting, and clipping, and lead the Grimmel Girls program to win numerous national titles including the NWSS, NAILE, JNHE, KILE, and, most notably, the 2016 NWSS grand champion polled female; along with several show heifer and show bull of the year awards. The Grimmel Girls operation utilizes intensive AI, ET, and IVF programs in both their Maryland and Kansas locations focusing on cattle that not only perform in the show ring, but more importantly when put in production to thrive in multiple facets of the industry. They have sold cattle and genetics to customers in more than 30 states and three Canadian provinces, with their sale being one of the highest averaging Hereford online heifer sales in the country. Jacob enjoys working one-on-one with customers by sharing his knowledge and talents to provide a superior experience along the way. His dedication and passion for the Hereford breed is what sets him apart, and he's honored to be selected by fellow Hereford Breeders as the 2022 American Hereford Association Herdsman of the Year.

Shelly Stull received “Reflection” a painting done by CJ Brown, Tina reflected to the membership on everything that Shelly has done and continues to do for the MHA. Shelly continues to be a reflection of what the MHA strives to achieve and what we the members should strive to be to the MHA. Shelly stepped down as the MHA Treasurer in 2020. Thank you, Shelly on behalf of the MHA, Board of Directors, and the members for your years of service!

The MHA would like to congratulate

NEWS FROM NOAH:

As we wrap up the spring bull sale season, there is so much to be thankful for, and so much to look forward to. As I sit back and reflect today, I want to highlight our juniors, both what they have accomplished and what opportunities they have available to them in the coming months.

Recently our NJHA Board had the opportunity to host the first ever BOLD conference in Desdemona, TX at GKB's Hi Point Ranch. BOLD, Building on Leadership Development, served as an elite-level conference for 18-22-year-old members to come and hone their leadership skills. I am incredibly proud of our Junior Board for hosting this conference. This conference has been discussed for a long time, and this group saw an opportunity to make it happen and took it. The 20 select NJHA members that attended, got to build lifelong connections, build leadership in real-world settings, and have a lot of fun along the way.

The Fed Steer Shootout Field Day was recently hosted as well, and what a great event. Although I was unfortunately unable to attend this event, the lessons our NJHA members took home were incredible. They had the opportunity to tour HRC Feedyards, meet industry professionals, and again, make lifelong connections. I highly recommend juniors out there taking part in this program, no matter where you are from. Check more out about it on the AHA website.

Looking forward to summer preview shows and the Junior National Hereford Expo, juniors, I encourage you to take advantage of the opportunities staring you in the face. Work hard on your animals this summer. Perfect the speech you are working on for the summer. Work on your showmanship craft. Whatever your thing may be and wherever your goals may lie, work hard to be as successful as you can be this summer, and I promise you will see results this summer.

The Maryland Hereford Association (MHA) is currently working on our state directory. Our goal is to produce an all-around resource for MHA members as well as fellow cattle breeders.

Please consider placing an ad in our directory. This directory will find its way to Maryland Hereford breeders as well as those in other states. Our directories are circulated in VA, West VA, PA, NY, and DE, and also at the Junior National Hereford Expo. To make it a more valuable tool we would like to include advertisements from businesses and service providers that we all currently use or may need while raising and promoting our cattle. If you know of businesses that may be interested in placing their ad in the Maryland Hereford Directory, please pass this information on to them. Hoof trimmers, veterinary services, feed mills, meat processors, tack shops, AI services, and fitters are examples of potential advertisers.

If you would like to place an ad, I have attached the advertisement order form, as well as an attachment showing ad size specifications. Regular color ad prices are as follows:

1/8 page ad $50.00 1/4 page ad $75.00 1/2 page ad $150.00 Full page ad $300.00

In addition to regular ads, there will be full page color ads that will be auctioned off at our Annual Meeting. These ads are as follows: Cover ads – 1) Outside Back Cover 2) Inside Back Cover, and 3) Inside Front Cover, Sponsorship ads – 1) Celebrate Maryland Sale page 2) Maryland Junior Hereford Association page, and 3) Hall of Fame page.

With the purchase of a sponsorship, the buyer will be recognized on the directory page. Reminder….the purchase of a sponsorship is considered a tax deduction.

To place an ad, please fill out the form completely and mail it to: Shirl Forbes, 3153 Aldino Road, Churchville, MD 21028. ***Please mail check separately to Laura Tessier, 6301 Damascus Road, Laytonsville, MD 20882.
