Congratulations

Jacob Wolfrey was named an American Hereford Association Herdsman of the Year finalist in Denver, CO! If you see Jacob please make sure to congratulate him, this is a huge honor and we are so proud of you! Jacob Wolfrey of Jarrettsville, Maryland owns and operates Grimmel Girls Show Cattle with his wife Michelle and sister-in-law Melissa Grimmel Schaake. He grew up raising and showing Angus cattle and went on to assist many large Angus and Hereford outfits before joining Grimmel Girls in 2010. Jacob has a keen eye for selecting sound and functional cattle that perform throughout all areas of the country. He has led the Grimmel Girls program to win many national titles including NWSS, NAILE, JNHE, KILE, most notably the 2016 NWSS Grand Champion Polled Female, along with several Show Heifer & Show Bull of the Year awards. Grimmel Girls utilizes an intensive ET and IVF program in both Maryland and Kansas, where they breed, raise and market their genetics through online sales every fall and spring. He takes pride in raising and selling Hereford cattle that are not only successful in the show ring, but more importantly in production. Since their first online sale in March 2016, they have sold cattle and genetics to more than 20 states and Canada. Jacob thoroughly enjoys working with their customers and providing a great and successful experience.

Recipes

Fall Off the Bone Beef Ribs

Beef ribs, 2 lb
Shiitake Mushrooms, 1 cup pieces
Peppers, sweet, red, raw, sliced, 1 cup
Onions, raw, 1 cup, chopped
Garlic, 2 tsp
Coke, 20 oz
Barbecue Sauce (to taste)

Directions

This recipe makes roughly 5, 7oz servings. Pour Coke into baking dish (regular coke i find works best). Place beef ribs into dish with space so it has room to marinate. Bake in covered dish at 325 for 2 hours. (you could also use a crock pot). Leave the beef in oven (or crock) to rest with heat off. Mix mushrooms, onions, red bell peppers and garlic in frying pan and sauté. Remove beef and serve on vegetables; add BBQ sauce to taste. (Baking the beef in the Coke not only caramelizes it but also tenderizes it from the acids in the soda.)

4. Divide the lettuce, tomatoes, onion and steak between the tortillas and roll up.
